- Data shared in the public arena about the services we offers, our mode of operations and other information we are required to make available to the public.
- Confidential information and data not yet in the public arena such as ideas or policies that are being worked up.
- Confidential information about other organisations because of commercial sensitivity.
- Personal data concerning our current, past and potential employees, Councillors, and volunteers.

In some cases, we will have contractual obligations towards confidential data, but in addition will have specific legal responsibilities for personal and sensitive information under data protection legislation.

This Policy is linked to other policies of ours which will ensure information considerations are central to the ethos of the organisation.

We will be as transparent as possible about our operations and will work closely with public, community and voluntary organisations. Therefore, in the case of all information which is not personal or confidential, we will be prepared to make it available to partners and members of the town's communities. These rights and how we will give effect to them are explained in greater detail in our Subject Access Request Procedure. Further guidance to our staff on how their data and rights will be protected is given in our Data Protection (Employment) Policy and our Staff Handbook.

Making Information Available

Our Publication Scheme explains how we will make a significant amount of information available routinely, without waiting for someone to specifically request it. The scheme is intended to encourage local people to take an interest in the work of the Council and its role within the community.

In accordance with the provisions of the Freedom of Information Act 2000, this Scheme specifies the classes of information which we publish or intend to publish. It is supplemented with an Information Guide which will give greater detail of what we will make available and hopefully make it easier for people to access it.

All formal meetings of Council and its committees are subject to statutory notice being given on notice boards, the Website and sent to the local media. We publish an annual programme in May each year. All formal meetings are open to the public and press and reports to those meetings and relevant background papers are available for the public to see. We welcome public participation and include a public participation session in each Council and committee meeting. Details can be seen in our Standing Orders, which are available on our Website or at our Offices.

Occasionally, Council or committees may need to consider matters in private. Examples of this are matters involving personal details of staff, or a particular member of the public, or where details of commercial/contractual sensitivity are to be discussed. This will only happen after a formal resolution has been passed to exclude the press and public and reasons for the decision are stated. Minutes from all formal meetings, including the confidential parts are public documents.

The Openness of Local Government Bodies Regulations 2014 requires written records to be made of certain decisions taken by officers under delegated powers. These are not routine operational and administrative decisions such as giving instructions to the workforce or paying an invoice approved by Council, but would include urgent action taken after consultation with the Chairman, such as responding to a planning application in advance of Council. In other words, decisions which would have been made by Council or committee had the delegation not been in place.

The 2014 Regulations also amend the Public Bodies (Admission to Meetings) Act 1960 to allow the public or press to film, photograph or make an audio recording of council and committee meetings normally open to the public. We will where possible facilitate such recording unless it is being disruptive. We will also take steps to ensure that children, the vulnerable and members of the public who object to being filmed are protected without undermining the broader purpose of the meeting.

We will be pleased to make special arrangements on request for persons who do not have English as their first language or those with hearing or sight difficulties.

Disclosure Information

We will as necessary undertake checks on both staff and Members with the Disclosure and Barring Service and will comply with their Code of Conduct relating to the secure storage, handling, use, retention and disposal of Disclosures and Disclosure Information. We will follow an appropriate operating procedure.

Data Transparency

We act in accordance with the Code of Recommended Practice for Local Authorities on Data Transparency (September 2011). This sets out the key principles for local authorities in creating greater transparency through the publication of public data and is intended to help them meet obligations of the legislative framework concerning information.

“Public data” means the objective, factual data on which policy decisions are based and on which public services are assessed, or which is collected or generated in the course of public service delivery.

The Code will therefore underpin our decisions on the release of public data and ensure it is proactive in pursuing higher standards and responding to best practice as it develops.

The principles of the Code are:

Demand led: new technologies and publication of data should support transparency and accountability

Open: the provision of public data will be integral to the Council's engagement with residents so that it drives accountability to them.

Timely: data will be published as soon as possible following production.

Government has also issued a further Code of Recommended Practice on Transparency, compliance of which is compulsory for parish councils with turnover (gross income or gross expenditure) not exceeding £25,000 per annum. These councils have been exempt from the requirement to have an external audit since April 2017. Ringwood Town Council exceeds this turnover but will nevertheless ensure the following information is published on its Website for ease of access:

- All transactions above £100.
- End of year accounts
- Annual Governance Statements
- Internal Audit Reports
- List of Councillor or Member responsibilities
- Details of public land and building assets
- Draft minutes of Council and committees within one month
- Agendas and associated papers no later than three clear days before the meeting.
