SURVEY

The New Forest is one of the safest places in the United Kingdom to live, work and visit. However some of us do suffer from crime and anti-social behaviour and the Safer New Forest partnership works hard to prevent and reduce any reported incidents.

This survey is being undertaken to check that we are working on the issues that are important to you.

Your answers will be kept strictly confidential and will only be used to compile an overall report.

Town / Parish Council

.....

1. What is going well in your town / parish?

i.e. partnership working, community engagement, voluntary services

2. What (if any) are your concerns for your town / parish regarding crime and anti-social behaviour?

3. If you have outlined concerns within question 2, what could improve your area?

i.e. town and parish, partnership working, other services

Thank you for taking the time to complete this questionnaire.
