# REPORT TO POLICY & FINANCE COMMITTEE – 22<sup>nd</sup> January 2025 **BUDGETARY CONTROL Quarter 3 – April to December 2024**

#### 1. **BACKGROUND**

- 1.1 The purpose of this report is to provide Members with a budget monitoring report for the first three guarters of the financial year 2024-25.
- 1.2 In January of this year, the Council approved a net budget of £643,525, including planned transfers to and from earmarked reserves. In December a revised budget of £680,298 was approved which, in order to balance will require a transfer from the general reserve of £36.733.
- 1.3 The approved and revised budget for 2024/25 may be summarised as follows:

	Original	Revised
	£	£
Revenue Expenditure	924,243	1,016,147
Capital Expenditure	235,000	341,865
Plus transfers to earmarked reserves	45,100	47,099
Less Revenue Income	-312,500	-282,062
Less Capital Income (grants)	-153,633	-276,041
Less transfers from earmarked reserves	- 94,685	-166,160
Net budget requirement	643,525	680,298
Funded by: Council Tax	643,525	643,525
Transfer from general Reserve	•	36,773

- 1.4 This report compares spend to the end of December against the revised budget and provides an updated prediction of the final outturn for the year. There is a small improvement in the outlook and the transfer from the general reserve is now predicted to reduce to just over £32,000.
- 1.5 Reserves stood at £639.190 at the 1st of April including rent & key deposits.. An updated schedule of planned and actual movements on reserves is included at Appendix 2. Note that there are several incomplete capital schemes from earlier years which may incur expenditure in the current year, but any such expenditure will be met from reserves.
- 1.6 A summary income & expenditure comparison report is included at Appendix 1. This compares actual income and expenditure for the year to date, together with outstanding commitments, with the revised income and expenditure budgets for the year as described in 1.3 above. The net budget deficit reported, of £156,384 is the figure before transfers to and from reserves, including the General Reserve are taken into account.

#### 2. **INCOME & EXPENDITURE TO THE END OF DECEMBER 2024**

2.1 Total income recorded to the end of December amounts to £1,031,379 but this includes £643,525 precept together with £71,629 in respect of CIL, grant income and other payments all of which have been taken to reserves, and £66,960 in respect of the football project which has been used to defray expenditure. Income recorded to date against the revised revenue budget therefore amounts to £249,265, or 88.4%% of the budget. This

- represents an over-recovery of £37,718 assuming a linear pattern. Note, this figure includes due and unpaid transactions, that is, invoices that have been raised but which have not yet been settled.
- Around £25,000 of this apparent over-recovery is due to timing differences where income is received early in respect of the whole year. However, interest receipts and events income have both performed better than expected and the additional interest earned will reduce the need to call on the general reserve. It should be noted that events income is partially offset against additional events costs and any resulting surplus is taken to the events reserve. Allotment income and Carvers clubhouse income have also both performed better than expected and together with the additional interest receipts, should increase overall income by around £6,000 by year end. All other budgeted income is on track to be received.
- 2.3 Expenditure to the end of December totalled £1,051,605. A credit balance on the tax and pensions control account, pending settlement of monies due to the Inland Revenue and Hampshire County Council, adds a further £13,489 making expenditure to the end of December £1,064,615. Excluding capital expenditure in respect of the football project and equipment purchases funded from reserves reduces this to £731,169 which is 72.0% of the revised budget. This represents an underspend of £30,041 assuming linear spend patterns and this is due to timing differences with some large anticipated expenditure on the Gateway building and Christmas lights, for example, yet to be actioned. The underspend also masks a couple of modest overspends including repairs to the tipper truck and the war memorial gate which will add £3,500 to the budgeted expenditure, however, this is mitigated by a variety of small underspends which have been identified which will reduce the overspend to around £1,500.
- 2.4 The combination of slightly improved revenue receipts together with the additional expenditure noted above, will improve the year end projection by just over £4,500 and reduce the transfer required from the general reserve to just over £32,000.

#### 3. GROWTH & CAPITAL PROJECTS

- 3.1 The Council did not approve any new growth or capital items for 2024/25 but there are a few capital projects which were approved in earlier years which will incur expenditure in 2024/25. There are also some new schemes including the "Thriving Market Place" which is funded by grant money which has been received, a multi use games area (MUGA) at Carvers which may commence this year and a Skate ramp at North Poulner which will commence once all of the funding has been received. In addition, grant funding has been received for the provision of solar panels at Carvers Clubhouse and this project is progressing in the current year. Note, the Columbarium project has now been cancelled.
- 3.2 All the expenditure incurred on these projects will be met from earmarked reserves and grants. The spend for the year to date is as follows:

		Revised Budget	Spend to Nov.
•	Football Development Project	£300,000	£ 326,027
•	Carvers Workshop Feasibility	£ 4,835	£ 2,089
•	Machinery/equipment purchase	£ 36,000	£ 9,424
•	Columbarium*	£ 13,200	£ 2,944
•	MUGA at Carvers	£ 6,800	£ -
•	Skate ramp Nth Poulner	£ 16,290	£ -
•	Thriving Market Place	£ 10,000	£ 10,000
•	Carvers Clubhouse Solar Panels	£ 550	£ 2,748
	Total	£387,675	£ 353,232

\*The Columbarium project has now been cancelled.

3.2 Members should note that as we approach the end of the contract for the provision of a new clubhouse and facilities at Long Lane, some of the funding is being withheld pending completion and the Town Council is carrying a short term deficit which is currently around £291,000 (plus VAT). Whilst the funding is expected to be received, this deficit reduces the Town Council balances held with the CCLA and hence interest earned.

## 4. RESERVES & BALANCES

- 4.1 At the end of 2023/24 the total balance on reserves was £619,621, consisting of £254,457 in the general reserve and £365,165 earmarked reserves. A further £19,569 was held in the form of rent & key deposits on behalf of tenants, sports clubs and allotment holders. Total opening reserves were therefore £639,190.
- 4.2 Contributions to reserves, including the surplus on events, will add £54,914 to earmarked reserves whilst predicted capital expenditure will now reduce reserves by £161,454 (This includes the application of funds put aside to meet carried over expenditure from 2023/24). Additional receipts totalling £79,794 are anticipated, of which £72,629 has been received to date. This includes CIL receipts totalling £15,878. The balance of earmarked reserves is therefore expected to reduce to by £26,746 to £338,419.
- 4.3 The latest budget outturn forecast suggests a budget shortfall for the year of £32,117 which will have to be covered by the general reserve which is now expected to reduce to £222,340 by year end.
- The revised schedule of reserves, together with planned movements for the year, is illustrated at Appendix 2. Note that the predicted closing balance of £580,779 assumes that the football project is substantially completed, that all of the funds held on behalf of the project are exhausted and that all of the outstanding funding that has been pledged has been received.

## 5. END OF YEAR PREPARATIONS

- 5.1 Every year the Town council appoints an auditor to test internal processes and procedures and provide assurance that a sound system of governance, risk management and control exists, with internal controls operating effectively and that they are being consistently applied to support the achievement of objectives in the area audited. The appointment of such an auditor is a requirement of the Annual Governance and Accountability Return, the AGAR.
- 5.2 The Town Council have employed the services of the Southern Audit Partnership (formerly Hampshire County Council Internal Audit) who provide a similar service to many local authorities in the region. The Southern Audit Partnership are familiar with the requirements of the AGAR, our sector generally and the operations of the Town Council.
- 5.3 It is proposed, therefore, that with member approval, the Southern Audit Partnership be approached again with a view to undertake the 2024/25 audit of the Town Council's financial processes and procedures.

#### 6. RECOMMENDATIONS

It is recommended that: -

- 6.1 The budget monitoring position is noted.
- 6.2 Members note the balances of Reserves.

**Deduct agreed allocations** 

-£30,660.00

#### Unallocated balance as at 22nd Jan. 2025

£14,248.67

#### Notes:

Agreed allocation amounts take account of expenditure incurred in previous financial years. Any expenditure incurred in the current financial year has not yet been transferred from the reserve. Cancelling any project would not therefore necessarily release the entire allocation to it back to the unallocated balance.

The unallocated balance takes no account of expenditure which has not been formally allocated for a particular purpose even if it known or highly likely that it will need to be met from the CIL reserve.

# POLICY & FINANCE COMMITTEE – 22nd JANUARY 2025 BUDGET 2025/2026

#### 1. INTRODUCTION

- 1.1 Members considered a revised draft budget for 2025/26 at the meeting of this Committee in December at which an indicative 6% increase in Council Tax was agreed, but with the aim of further refining the budget and reducing the increase. A number of adjustments have been made, the most significant of which is an increase in the estimated annual pay award from 2.0% to 2.8%.
- 1.2 An update to the revised budget outturn projection for 2024/25 is included with the budget monitoring report elsewhere on the agenda.
- 1.3 Attached for the Committee's consideration are the following documents:-
  - Appendix A Draft summary Council budget, including actual spend 2021/22, to 2023/24, original and revised budgets 2024/25 and revised draft proposals for 2025/26.
  - Appendix B Reserves & Provisions at 1<sup>st</sup> April 2024, and estimated balances at 31<sup>st</sup> March 2025 and 2026, based on the revised budget 2024/25 and the updated proposals for 2025/26.
  - Appendix C Summary of budget preparation assumptions.

#### 2. **REVISED BUDGET 2024/25**

- 2.1 In December, this committee approved a revised budget for the current year which predicted a budget deficit of £36,733 by year end. The deficit arose mainly because of reduced rental income and lower than anticipated cemetery income.
- 2.2 There have been some further developments in the current year. Now that the events activity has finished for the year, an analysis of income and expenditure has revealed somewhat better outturn although any surplus generated by events is retained in the events reserve and does not directly benefit the general fund. However, interest generated on invested funds has performed better than expected and despite some modest budget overspends it now seems likely that the outturn deficit will reduce to around £32,000.
- 2.3 There are some changes in predicted capital expenditure but as this is all funded through reserves, grants and other sources of income, these will have no net impact on the general fund.
- 2.4 Reserves at the start of the year, including key and rent deposits, amounted to £639,190. (£254,457 General reserve, £365,165 earmarked reserves and £19,569 key and rent deposits). The reserves are expected to move as follows:

•	Planned revenue contributions to earmarked reserves	£ 45,100
•	Transfer of predicted events surplus for 2024/25	£ 9,815
•	Plus cash receipts collected during 2024/25	£ 79,794
•	Less Funding capital expenditure	£126,229
•	Less balance held for 2023/24 budget underspends	£ 35,225
•	Less anticipated deficit on the revenue account	£ 32,117
	Net reduction in reserves:	£ 58,862

2.5 Planned and predicted movements on reserves are detailed in Appendix B.

#### 3. DRAFT BUDGET 2025/26

- 3.1 The draft budget has been prepared, initially, on an incremental basis. The original budget for 2024/25 has been adjusted for known and unavoidable changes, any one off items approved for the current year have been removed and a modest range of estimates for inflation have been applied. Inflation rose very slightly for the year to November but is still expected to fall during 2024.
- 3.2 A draft budget was presented to the December meeting. This indicated that a budget increase of £59,341 would be necessary equivalent to a 9.2% increase in the Council Tax.
- 3.3 The main drivers of the increased budget requirement and hence the deficit, have been falling cemetery receipts the budget for which has been reduced by £11,200 together with a predicted fall of £10,000 in interest generated following the reductions in balances and predicted interest rates. The changes to National Insurance will add an estimated £13,200 to pay costs.
- 3.4 It has also been necessary to increase the budget provision for machinery maintenance and for street lighting, whilst NFDC have increased the recharge in respect of the Gateway building by more than £2,500 above inflation. Furthermore, NFDC have reduced their net contribution towards Gateway costs by £2,625. Inflation accounts for just £16,000 of the increase, or around 2.5%.
- 3.5 Following the December meeting the pay inflation assumption was increased from 2.0% for the year to 2.8%. This increased the budget requirement by a further £4,750. However, since then staff turnover amongst the grounds team has reduced the staffing budget by £8,340. Further agreed adjustments which include the elimination of discretionary grants, the mayor's allowance which hasn't been spent for the last two years, and a reduction in the subsidy to the events committee will save a further £11,240.
- 3.6 Work has progressed on identifying further savings in order to reduce the Council Tax requirement. These include reducing the budget provisions for fuel, CCTV, property management agents and the environment agency whilst increasing revenue generated through market stalls and allotments. Together these adjustments reduce the budget requirement by a further £8,000. All of these adjustments are based on performance in the current year but do come with the risk that margins are very tight and income and savings targets may be very difficult to achieve.
- 3.7 The combined impact of these changes is that a reduced budget increase of £40,928 will be required which will require a Council Tax increase of 6.35% in order to achieve a balanced budget without drawing on reserves. The wider budget assumptions are included in Appendix C.
- 3.8 Note that the Council Tax base has increased by 0.104% to 5507.3 which means that £1 on the Council Tax will generate £5,507.30. The increase in the base generates an additional £670, at current council tax rates and has been taken into account in the draft budget.
- 3.9 The proposed base expenditure budget, after allowing for adjustments and unavoidable inflation, is £1,182,187, which includes £218,080 capital expenditure funded from grants and reserves. Income is predicted to be £446,692 resulting in a base net budget of £735,495. Net transfers from reserves reduce the budget requirement to £691,531 before any new bids are considered. It should also be noted that it remains likely that there will be some residual spend on current capital projects although any such expenditure is covered by reserves and any such slippage will not impact the revenue account.

- 3.10 There is just one new bid for consideration in the draft budget. This is to enable the procurement of the services of a company that assists parish and town councils with communications and GDPR/FOI compliance. As the Council has recently agreed a communications strategy, this could save officer time and give us the skills necessary to carry out members' wishes. The annual cost of such a service would be £1.164.
- 3.11 Reserves movements are summarised in appendix B. The opening balance on earmarked reserves is expected to be £338,419 at 1st April 2025 whilst budgeted transfers to reserves will increase this by £45,100. A further transfer from the events committee is expected to add a further £5,582 but this will be entirely dependent on performance during the year. Transfers to the revenue budget from reserves amount to £6,806 whilst a further £87,840 will be used to support capital projects during the year (including some replacement plant and equipment). Grant income of £68,080 is anticipated and this will be taken to reserves pending its application. This means that the predicted balance of earmarked reserves at 31st March 2026 will be £362,536.
- 3.12 The budget proposals include a transfer of £7,575 from the general reserve to fund the temporary shortfall in rental income resulting from the Southampton Rd vacancy. The plans set out here would therefore result in a modest increase in total reserves of £16,541 in 2025/26, before any unplanned expenditure that may necessitate an additional transfer from reserves. At this stage it is impossible to predict the level of CIL receipts that might be expected, but these too will be added to earmarked reserves. The General reserve is expected to reduce to £214,765.

## 4. FINANCIAL IMPLICATIONS

- The proposed budget, including the new bids, will result in a Council Tax requirement of £685,120 for 2025/26, an increase of 6.46% from 2024/25. However this increase is mitigated by the small increase in the Council Tax base and so it would require an increase in the Council tax of 6.35% in order to achieve a balanced budget.
- 4.2 Many of the individual budgets have been shaved, frozen or cut for the last few years and there is consequently an increasing risk that the overall budget is vulnerable to any unexpected pressures as has been experienced in the current year. This may result in an increased reliance on the General Reserve to meet unexpected costs or cost increases. The general Reserve balance is expected to be around £215,000 or 31% of the precept.
- 4.3 Similarly, the transfer of some "irregular" spend from the budget has also placed a greater reliance on Earmarked Reserves to meet unplanned expenditure such as building repairs, legal fees, vandalism and so on. Further consideration will need to be given to whether the current approach to building and maintaining earmarked reserves is sufficient to meet future needs.

#### 5. FURTHER CONSIDERATIONS

There remain a few options to reduce the Council Tax requirement further which may warrant further consideration. The planned contribution to reserves remains at £45,100 (excluding any surplus on Events). The following table summarises these transfers (note, this is not a complete list of earmarked reserves, the table only includes those to which an annual contribution is made from the revenue account):

Reserve	Annual	target	Balance
	Sum		31/3/25
IT Equipment	£2,700	£30,000 by 2026	£28,300
Cemetery	£1,000	£10,000 *	£27,073
Elections	£5,000	£20,000 by 2028	£5,000
Vehicles & Machinery	£20,000	Per replacement plan	£17,883
Play Equipment	£6,900	£40,000 by 2028	£22,516
Buildings	£5,500	£75,000 by 2031	£69,252
Infrastructure	£3,000	£24,000 – no target set	£14,620
Carvers Clubhouse	£1,000	No target	£4,435
Total Contributions	£45,100		

- 5.2 There are three reserves which are at, or close to, the target balances which are set out in the reserves policy. The cemetery reserve is no longer required for the Columbarium and so the balance held actually exceeds the agreed target. The Play Equipment reserve is set to exceed the target of £40,000 in 3 years and similarly the buildings reserve will exceed the target set in less than two years, albeit some funds are likely to be required to bring the former groundsman's house back up to an acceptable condition. Nevertheless, the contributions to these reserves could be reduced whilst maintaining the ambitions set out in the reserves policy.
- 5.3 The annual revenue contribution to the Events budget has been reduced from £10,000 to £5,000 from 2025/26 onwards. Members may consider that there is scope to reduce this further given that the balance held in the events reserve is likely to exceed £17,000 by the end of this year.
- 5.4 Discretionary grants have been excluded from the proposed budget, generating an annual saving of £5,200. One option to restore all, or some of this expenditure, might be to make the contribution to the events budget contingent on performance to the end of December and should sufficient funds be generated by events, transfer the contribution to the grants budget. Alternatively, discretionary grants could be met from the events reserve, with an annual budget based on events performance over the previous year.

#### 6. **RECOMMENDATIONS**

- 6.1 Subject to any amendments made at this meeting, it is recommended that:-
- 6.2 Members approve the draft budget and any further additions or adjustments.
- 6.3 Members submit the proposed budget, with any approved adjustments, to Full Council for approval and adoption.
- 6.4 Members consider whether the balances held in the General and Earmarked reserves are sufficient to meet future demands.

Inflation (RPI) is currently running at 3.6% (for the year to November 2024 up from 3.5% in October. CPIH is 3.5% for the same period whilst the CPI is 2.6%, (up from 3.2% and 2.3% in October respectively). The next set of inflation indices are due to be released on the 15th January.

Note that some costs and expenditure are linked to inflation, whereas some "non contractual" expenditure is more discretionary and inflationary cost increases may be absorbed by reducing spend, although this may not be without consequence. Other expenditure may be fixed with no inflationary adjustment required. Each expenditure component in the budget has been allocated an inflation type (1-6) which may be modelled on this page.

C1	Long Lane Football Facilities Development	In progress (scheduled for completion in 2024)	The artificial turf pitch and the new pavilion are both now completed and in use. The old pavilion has been demolished. A formal opening ceremony/open day took place on 1st November.	A joint venture with Ringwood Town Football Club and AFC Bournemouth Community Sports Trust to improve the football facilities for shared use by them and the community.	Town Clerk	The current expectation is that the Council's contribution to the project will, in effect, be limited to a modest loss of income from the site (but over a long term).

PTE3	Crow Stream Maintenance	Annual recurrent	Spraying of stream banks undertaken 19/06/24, annual flail was carried out in August and stream clearance by volunteers on 3 October. Working with various agencies and local landowners on developing wider project on holding back flood water and increasing outflow.	Annual maintenance of Crow Ditch and Stream in order to keep it flowing and alleviate flooding	Deputy Town Clerk	Budget of £1,000 funded by transfer from earmarked reserve
PTE6	Shared Space Concept - Thriving Market Place	In progress	£10,000 released by NFDC from UKSPF to undertake options appraisal/feasibility study. Project Brief agreed and HCC instructed to carry out work outlined in Brief. Members received an informal briefing on draft proposals on 25/09/2024, prior to consultation with stakeholders.	Concept for town centre shared space identifed through work on the Neighbourhood Plan. Working in partnership with NFDC and HCC.	Deputy Town Clerk	HCC funded survey work. £10,000 grant from UKSPF (via NFDC). NFDC Cabinet agreed on 02/10/2024 to allocate a share of £4.5 million CIL funds to the scheme.
	Greening Ringwood	In progress	Official launch of Phase 2 held on 20/04/2024 in Gateway Square. Update on activities presented to Committee in September 2024.	Greening Campaign Phase 2 to run from Sept 2023 to July 2024, focussing on making space for nature; energy efficient greener homes; climate impacts on health and wellbeing; waste prevention; and cycle of the seed.		£50 signing up fee funded from General Reserve.
	Bus Shelters	In progress	HCC framework contractor has completed survey of shelters free of charge. Action Plan prepared.	Review of Council owned bus shelters.		No agreed budget
